## STATEMENT OF OBJECTS AND REASONS

The correct identification of targeted beneficiaries for delivery of various subsidies, benefits, services, grants, wages and other social benefit schemes which are funded by way of withdrawal from the Consolidated Fund of the State of Maharashtra has become a challenge for the Government. The failure to establish identity of an individual beyond doubt has proved to be a major hindrance for successful implementation of these programmes. This has been a concern for the programmes related to the welfare of certain categories of persons such as women, children, senior citizens, persons with disabilities, migrant unskilled and unorganized workers, and nomadic tribes. In the absence of a credible system to authenticate identity of beneficiaries, it is difficult to ensure that the subsidies, benefits and services reach to the intended beneficiaries.

2. The Government of India has enacted the Aadhaar (Targeted Delivery of Financial and Other Subsidies, Benefits and Services) Act, 2016 (18 of 2016) on 16th March 2016 and major provisions of the said Act have been notified. Since, the said Act pertains to the schemes involving expenditure from the Consolidated Fund of India, there is a need to make suitable enabling provision to provide for the schemes funded entirely through involving expenditure by way of withdrawal from the Consolidated Fund of the State as well as the schemes funded through funds set up by other agencies.

3. In view of this, it is expedient to provide for, as a measure of good governance, for efficient, transparent, and targeted delivery of subsidies, benefits and services to individuals residing in Maharashtra by using Aadhaar number as a "Sole identifier".

4. The Bill, *inter alia*, seeks to provide that the State Government may require authentication or proof of possession of Aadhaar number as a "Sole identifier" for delivery of benefits, subsidies, and services, for which the expenditure by way of withdrawal from the Consolidated Fund of the State. A provision has also been incorporated to provide that, till such time Aadhaar number is not assigned to an individual, that individual shall be offered alternate and viable means of identification for delivery of the subsidy, benefit or service.

5. The Bill seeks to achieve the above objective.

DEVENDRA FADNAVIS,

Dated the 8 December, 2016.

Chief Minister.
